Other creative endeavors such as recitals, concerts, shows, performances, and comparable activities

Gloeckler, T. ‘’Gill-Spring Lure and Container.’’ Received a Best in Show award for his entry in the Design Educators’ National Exhibition at Oklahoma State University. Part of a virtual exhibit beginning October 5, 2001. http://www.okstate.edu/dene/va3d11.htm

Johnson, Donald was elected Associate Editor of the *Journal of Natural Resources and Life Sciences Education*. (2001)

Johnson, Donald, Wardlow, George, Miller, Jeff, Graham, Donna and Herring, Don. Attended an eight hour development Workshop on “Conducting, Analyzing, and Reporting Quantitative Research” at AAAE Research Pre-Session, Dec. 11, 2001, New Orleans, LA.

Marcy, John. In addition to five Basic HACCP workshops, two Advanced HACCP sessions were conducted in 2001 to full audiences form across the country. Two sanitation general sanitation courses were conducted as well as three just for one company.

Marcy, John. Presented a Sanitation workshop in conjunction with Dr. Richard Linton and Ann Guentert (Purdue University), and Carmela Velazquez of the Centro Nacional de Ciencia y Tecnologia de Alimentos at the Second Food Safety Congress in San Jose, Costa Rica. Dr. Marcy also made a plenary presentation on Validation and Verification of Food Safety Systems.

Marcy, John. Spent one week in New Zealand working with James Denton, Jon Porter (adjunct) Richard Linton (Purdue University) providing assistance to Tegel Foods, New Zealand’s largest poultry producer/processor. Dr. Marcy also joined Dr. Linton and Dr. David McSwane from Indiana University and Dr. Lynn McIntyre from Massey University in New Zealand in presenting a one day workshop at Massey University on global food safety issues.

Martin, S. School of Human Environmental Sciences Homecoming photographs. *Milestones* 1(1) (newsletter of the School of Human Environmental Sciences), Fall 2001.

Mauromoustakos, A. 2001. Electronic analysis how to textbook that contains a series of CD's (16 CD's on six topics). The topics include: Exploratory Data Analysis, Basic Statistics, Experimental Design, Regression Analysis, Marketing Research, Categorical Data Analysis and Multivariate Methods. These CD's, which were developed in English, are being translated into three (3) different languages (French, Greek, and Arabic).

Szalanski, Allen. Developed a WWW site for the insect genetics laboratory, http://comp.uark.edu/~aszalan/index.html. that provides information on ongoing research projects in the lab along with information on personnel and accomplishments.

Voth, D. E. Organized annual workcamp in Viet Nam in collaboration with an outside agency, the Peacework Development Fund of Blacksburg, VA. The workcamp is an experience used by UA students for study abroad.

Wardlow, George. Participated in the North Central Administration (NCA-24) Committee Meeting of Experiment Station Directors to develop priorities for research in agricultural education, Feb. 27-28 in Kansas City, MO. (2001).

Warnock, M. Biodegradation of textiles research efforts were highlighted on page 12 of the Arkansas Agricultural Experiment Station Annual Report entitled, The next level. Research was included under “Improving Our Environment” section. (2001).

Refereed Scholarly Paper Presentations

Crone, John, “Reflecting on Cultural Values and the Curriculum,” Council of Educators Conference hosted by the University of California at San Luis Obispo, October 2001.

Creative Work

Blackwell, Marlon, Gaston-Montgomery Residence, Fayetteville, Arkansas, August 2001. A renovation to a 60’s structure on 10 acres, to include a new entry, steel box-framed window opening, kitchen, and guest bedroom and bathroom in the existing garage. A separate flat roof steel framed structure is proposed for a guest apartment and home office. The structure is to be clad in Cor-ten sheet metal. A 6’ wide 25 meter lap pool will be adjacent to the apartment. An existing barn structure is provided with minimal interventions including new steel framed openings, a staircase, pine floors and transparent glass stud wall. (construction document phase.)
Blackwell, Marlon, Fred Rowe Residence, Frederic, Michigan. (May 2002). An 1800 sq. ft. retirement home for a wheelchair bound artist/photographer, his wife, and daughter. The design is to be barrier-free, and will also include a detached carport, study, and storage barn on 19 acres on the Manistee River in Central Michigan. (Currently in schematic design).

Blackwell, Marlon and Yume Rudkinski, Masons on the Creeks, Rogers, Arkansas, (December 2001). A 3000 sq. ft. interior design for a retail accessories and clothing boutique. Located in the Village on the Creeks retail development. (Design Phase has just begun).

denoble, Timothy, Deen Residence, Fayetteville, Arkansas, New construction.

denoble, Timothy, Clark Residence, Garfield, Arkansas, New construction.

denoble, Timothy, Hathaway Residence, Little Rock, Arkansas, Remodel and addition.

denoble, Timothy, Private Residence, Fayetteville, Arkansas, Remodel and addition.

Fields, Laurie, consultant to Dunbar Community Garden, Little Rock, Arkansas. (Schematic design.)

Fitzpatrick, Lynn, River Ridge house project, Fitzpatrick/O'Connell. (Construction document phase.)

Glasser, David E., Sabbatical Project including intensive research and measurements of Old Datca, a several hundred year old settlement with vernacular stone construction. In addition to measured drawings of the town main street, complete design drawings for a new house, respecting traditional construction methods, has been prepared in collaboration with Sevinc Yavuz, (Architecture). (Construction planned for fall of 2003.)

Herman, Greg, Renovation and Addition, Saitta Residence, Fayetteville, Arkansas. (project continuing from previous year). (Construction completed.)

Herman, Greg, Renovation and Addition, Private Residence, Fayetteville, Arkansas/ (Schematic design.)

Herman, Greg, Pool House and Workshop, Freund Residence, Fayetteville, Arkansas. (Design development.)

Rollet-Crocker, Karen, Landscape, Compton Gardens, Peel House Foundation, Bentonville, AR. 
(Final design phase.)

Rudzinski, Russell, Tuscon Gateway International Design Competition.

Rudzinski, Yume, Spellman Residence (new construction), Owners, James and Lynn Spellman, 
expected date of completion, December 2002.

Rudzinski, Yume, Bartel Dental Office, (new construction), Owners Drs. Troy and Anthony 
Bartels, bidding and negotiation phase, expected date of completion, December 2002.

Rudzinski, Yume Hooker Construction Office Building (new construction). Owner, Morgan 
Hooker, Schematic Design Phase.

Rudzinski, Yume, Burna Funeral Home (new construction), Owner, Scott Burna, design 
development phase, expected date of completion, March 2003.

Terry, Laura, Blind Date: A Group Exhibition of Recent Work on Paper, Oglethorpe Row 

Terry, Laura, Fall Show at Fresh Paint Gallery, Culver City, California, November 2001. 
Wall, Jerry, “Space Design – Life in Zero Gravity,” MAXM exercise machine, exhibition at the 

Yavuz, Sevinc, Yavuz/Glasser House in Old Datca, Turkey, design and detailed drawings, 
model, etc. In collaboration with David E. Glasser.

Conferences and Oral Presentations of Material

NASA NOVA Leadership Development Conference, Greenbelt Maryland, March. 2002

Guccione, M. J., Alluvial Valleys: Ideal areas to identify, quantify, and date coseismic deformation. 31st International Congress, Rio de Janeiro.

Guccione, M. J. and Marple, Ron, 2002, Bootheel lineament, the elusive surface rupture of the New Madrid seismic zone? Invited speaker, Conference on Catastrophes, Brunnel Great Britain.

Guccione, M. J., 2002, Tectonic setting and Quaternary history of the Mississippi Alluvial Valley and Stream response to repeated coseismic folding along the New Madrid seismic zone, Consiglio Nazionale delle Ricerche, Instituto di Geoscienze e Georisorse and Universta degli studi di Firenze, Dipartimento di Scienze della terra, invited speaker.

Guccione, M. J., 2002, Response of the Mississippi River to coseismic deformation and what it can tell you about seismicity, University of St. Louis, St. Louis, MO, invited speaker.

DEPARTMENT OF HISTORY

Books

Sutherland, Daniel, This Terrible War: The American Civil War and Its Aftermath (Longman, 2002).

Sutherland, Daniel, This Terrible War: Sources and Documents (Longman, 2002).

West, Elliott, Mining Frontiers of the Far West, 1848-1880, with Rodman Wilson Paul (University of New Mexico Press, 2001).

Chapters in Books

Articles in Journals

Gordon, Joel, “Class-Crossed Lovers: Popular Film and Social Change in Nasser’s New Egypt,” Quarterly Review of Film and Video 18 (No. 4) 2001.

Unrefereed Publications

Invited Lectures

Ten faculty presented twenty-eight invited lectures: Bukey (1); Chappell (7); Cornell (2); Gordon (3); Kennedy (1); Schweiger (2); Starks (2); Sutherland (4); West (8); Whayne (1). Five faculty chaired sessions at refereed conferences: Coon (1); Schweiger (1); Sonn (1); Sutherland (1); Tsai (1). Three faculty commented on papers at refereed conferences: Schweiger (1); Sutherland (1); Tsai (1) Four faculty were “discussants on panels at professional conferences (Cornell, Gordon, Tucker, and Williams).
Lectures and Oral Presentations

Twelve faculty presented twenty-three refereed papers at scholarly conferences: Bukey (1); Coon (1); Cornell (2); Engels (1); McCann (3); Robinson (2); Schweiger (1); Sonn (1); Sutherland (2); West (8); Whayne (1); and P. Williams (1). Ten faculty gave numerous public lectures and presentations to civic and school groups: Bukey (2); Cornell (much in demand after 9-11); Tucker (several); Gordon (several); McCann (2); Sutherland (several); Tsai (2); West (6); Whayne (4); N. Williams (2).
