

Summer Research Fellowship: Request for Summer Research Fellowship for 9-month Doctoral/MFA Students

The summer research Fellowship is for 9-month Doctoral/MFA students. Funding will be at the current monthly minimum for graduate assistants and will include tuition benefits to a maximum of three hours during the full summer term. Students are responsible for their own fees. Application for this funding requires the support of the student's major advisor, the department/program chair/head/director, and the dean for the academic program.

Name of student making the petition: _____ ID number: _____

Student's degree program: _____

Anticipated graduation date: _____

Name of student's major advisor _____ Student's email: _____@uark.edu

Statement by student: Explain what you will accomplish during the summer that will advance you toward completion of the degree:

Statement by major advisor: Explain how this work will advance the student toward completion of the degree. Do you support the student's summer goals? Is the student making adequate progress toward his/her degree?

*Student signature: _____ Date: _____

*Advisor signature: _____ Date: _____

Department/program chair/head/director name: _____ Signature: _____ Date: _____

Advisor's Dean name: _____ Signature: _____ Date: _____

Email completed form to Dean Pat Koski at pkoski@uark.edu.

** By signing this form, the student and advisor confirm that a) the student was on a 9 month graduate assistantship the previous year b) no other university funding sources are available to this student for this summer.*
