	Description and Justification of the Request		<p>We propose to remove SPAC 5111L and SPAC 5513 as required courses.</p> <p>The SPAC faculty approved removing the SPAC LAB requirement from the MS and PhD degree requirements as it no longer fulfills the original intent. The lab was originally required in order to assist students in getting to know faculty members in the program and thus help them make a decision about a possible supervisor. We now bring students in to work with a specific faculty member so this is no longer necessary. This change was unanimously approved by the faculty.</p> <p>The second request is to remove the SPAC 5513 course from the core options. The pre-requisites for the course are seldom possessed by students in the SPAC program so consequently the course was repeatedly under-enrolled.</p>
	Program Reviewer Comments		<p>agriffin Fri, 24 Feb 2017 22:23:39 GMT Paul Cronan made a motion, Jeannine Durdik seconded at UCPC to change elective hours from 9 to 10 hours. And remove the reference in the description/justification of the retired faculty member.</p> <p>pkoski Mon, 27 Feb 2017 22:30:25 GMT Made a small editorial change.</p>
