ENGL 5083	Proposed Effective Date	Summer 2018	Spring 2019
0000	Catalog Title	Professing Literature	Professional Topics
	Short Course Title	PROFESSING LITERATURE	PROFESSIONAL TOPICS
	Catalog Description	An introduction to the profession of English studies and the teaching of English at the college level.	Specialized topics related to professional issues in the humanities, e.g. academic and alternative-academic job searches, publication workshops, public humanities, and/or the teaching of language and literature at various levels.
	Title/Description Change Type	Minor (stylistic/editorial) Change	Major Content Change
	Justification	Updated typically offered field.	We are proposing to change the title and description of this course in order to allow those faculty who teach it to offer students a broader scope of information regarding field-related professionalization issues and strategies that graduate students in English should consider before going on the academic and/or the alternative-academic job market.
