

CIM Report Apr 2, 2020 10:27am

Program Changes Pending Approval from Graduate Committee

Code	Field	Old Value	New Value
FDSCMS	User ID:	calison	hamilton
	Scheduled Program Review Date	NA	2022-2023
	Phone:	575-6731	575-5299
	Description and justification of the request	Removing prerequisites from CIM and moving them to text of page.	1) Adjusted admission standards for GRE scores and TOEFL scores\\n2) Added statement that students must enroll in FDSC 5001 Seminar twice. 1) These admissions standards are more in line with the current acceptance practices for the department. \\n2) This has always been the practice for this program. In order to be enforceable, the requirement must be stated in the official program requirements.
	Description and Justification for this request	Removing prerequisites from CIM and moving them to text of page.	
	Effective Catalog Year	Summer 2014	Fall 2021
	Program Goals and Objectives	NA	The mission of the Department of Food Science is to serve as the primary source of higher education, fundamental and applied research, and public service associated with enhancing the wholesomeness, quality and availability of food, improving the health of Arkansas residents, and adding value to raw agricultural products with particular emphasis on products relevant to Arkansas. The Department of Food Science promotes programs for achieving regional, national and international recognition of excellence while contributing to the advancement of the quality of life and professional development for Arkansans.
	Learning Outcomes	NA	1. Technical Knowledge•Demonstrate advanced knowledge and understanding in their area of emphasis. •Demonstrate some knowledge across food science and/ or nutrition disciplines outside of their core specialty area, commensurate with coursework completed during the degree.\\n2. Research and Scientific Inquiry Skills•Demonstrate scientific inquiry skills through the research performed. •Demonstrate quantitative skills through the analysis of research data. \\n3. Communication Skills•Demonstrate competency in written communication through their thesis. •Demonstrate competency in oral communication through their required seminars and oral defense.

	Scheduled Program Review Date	NA	2022-2023
	Phone:	575-6731	575-5299
	Description and justification of the request	Removing prerequisites from the program requirements.	<p>1) Adjusted admission standards for GRE scores and TOEFL scores.\n2) Added statement that students must enroll in FDSC 5001 Seminar twice.\n3) Adjusted the total number of hours of credit for students entering the program with a B.S. only and how those hours must be met (the breakdown between course credit, dissertation and 5000-level or higher minimum). This added 12 hours of credit required for these students (previously 60 hours, now 72 hours).\n 1) These admission standards are more in line with the current acceptance practices for the department.\n2) This has always been the practice for this program. In order to be enforceable, the requirement must be stated in the official program requirements.\n3) This change was required to be in compliance with ADHE requirements of 72 hours graduate credit past the B.S. Breakdown in course credit determined to be 48 based on course credit for MS is 24 and course credit for PhD with an MS is 24. Minimum of 32 hours for 5000-level or higher determined similarly (14 for MS and 18 for PhD with MS). The 6 additional hours beyond the 48 for coursework and 18 for dissertation are left at the discretion of the committee on how to complete.\n</p>
	Description and Justification for this request	Removing prerequisites from the program requirements.
