	Select a reason for this new program	Adding New Concentration	
	Effective Catalog Year	Fall 2021	Fall 2022

	Program Costs	There will be both faculty and GA costs. Faculty costs occur due to two new courses. These will be covered by two newly hired faculty members in our new department. To account for the GA costs, due to the SEVI split from the MGMT department, we are also splitting the number of GA positions available. So we are going from 12 positions total in MGMT, to 6 positions available in MGMT and 6 positions available in SEVI. Thus there will be no new GA funding needed at this time.	
	Library Resources	N/A	
	Instructional Facilities	N/A	
	Faculty Resources	No, given the split of the SEVI faculty from the MGMT department we hired two new faculty members in 2019 who will be teaching the new courses that we are offering in this program.
