CNED 52103	Proposed Effective Date	Fall 2024	Summer 2024
	Typically Offered	Summer	Spring and Summer
	Catalog Title	Lifestyle Career Development	Career Development and Job Placement
	Short Course Title	LIFESTYLE CAREER DEVELOPMENT	CAREER DEV JOB PLACEMENT
	Catalog Description	Theories of career development and counseling, including the use of occupational information sources and career assessment tools and techniques.	Theories of career development and counseling, including the use of occupational information sources, career assessment tools and techniques, and practical strategies for employment of people with disabilities.
	Justification		Currently students can take either CNED 5213 or CNED 5583 for career counseling credit per the state board. CNED 5213 historically has focused on theories of career development and counseling, and assessment tools, while CNED 5583 focuses on these facets as well as practical strategies of employment of people with disabilities. All of our students are likely to work individuals with disability, and our program would serve students better by combining content from both into one and listing as a single course.
