	Course Catalog Number	5363	6363
	Course Last Update Effective		Spring 2017
	Justification		When this course was created in 2004, INEG was not numbering PhD courses with the 6000 level. Now that INEG distinguishes between master's and PhD level courses using the 5000 numbers for primarily master's courses and 6000 numbers primarily for PhD course, it is more appropriate for this course to be numbered 6363. There are no other changes to the course except for the change of the number. This should be consider a minor change.
