	Description and Justification of the Request		<p>We are proposing to add a second test as an alternative to the GRE for admission to the program. This requirement would exempt the program from the GRE requirement at the level of the Graduate School admissions office and would impose either the GRE or SLLA as a program requirement for admission consideration. The School Leadership Licensure Assessment (SLLA) is superior to the GRE in relation to the measurement of program degree applicants' potential for success in the EDLE Education Specialist degree. The SLLA is a national standardized test that is recognized as the equivalent to a Praxis exam for educational leadership.</p>
